# ANCHOR PCR Kits - Product List

Material Number	Product Name	Detection / Differentiation of	Analysis Mode	Regulatory Status	Rxns/ Kit
A0200	Anchor C. difficile PCR Kit	<i>Clostridioides difficile</i> toxin A and B DNA (w/o differentiation)	qualitative	CE IVD*	100
A0300	Anchor Norovirus PCR Kit	Norovirus genogroup I and genogroup II RNA	qualitative	CE IVD*	100
A0400	Anchor Influenza A/B PCR Kit	Human influenza A and B virus RNA	qualitative	CE IVD*	100
A0900	Anchor HSV 1/2 PCR Kit	Herpes simplex virus 1 and 2 DNA	quantitative or qualitative	CE IVD*	100
A1000	Anchor VZV PCR Kit	Varicella zoster virus DNA	quantitative or qualitative	CE IVD*	100
A1200	Anchor CMV PCR Kit	Cytomegalovirus DNA	quantitative or qualitative	CE IVD*	100
A1400	Anchor EBV PCR Kit	Epstein-Barr virus DNA	quantitative or qualitative	CE IVD*	100
A1900	Anchor Inf A/B + SARS-2 PCR Kit	Human influenza A and B virus and severe acute respiratory syndrome coronavirus 2 RNA	qualitative	RUO	384
A2100	Anchor SARS CoV-2 PCR Kit v2.0	Severe acute respiratory syndrome coronavirus 2 RNA	qualitative	CE IVD*	384
A2600	Anchor Monkey-/Orthopoxvirus PCR Kit	Monkeypox virus and orthopoxvirus DNA	qualitative	RUO	100

## General Remarks:

\* according to the European *in vitro* diagnostic directive 98/79/EC  
The products are not FDA cleared or approved and not available in all countries.
